TITLE: Restaurant search and discovery service.

DESCRIPTION: An online restaurant discovery guide providing information on restaurant types, cuisines, reviews by critics and users, location and contact information.

ACTORS: Admin, Restaurant owners, Users, Critics

FUNCTIONALITY:

As a Critic/User you can:
- Sign up and login
- Add review, photo for a restaurant
- Delete content added by own only
- Search/Filter and check-in to restaurants

As an Owner you can:
- Sign up and login
- Add and edit own restaurant information
- Reply to reviews and photos
- Search/Filter other restaurants

As an Admin you can
- Sign up and login
- Manage other accounts
- Add and edit restaurant information
- Delete comments/replies/photos
- Search filter restaurants

Stretch Goals
- Critic/users suggest addition and changes to restaurant information
- Critic/users can order food online using this application
- Owner can manage food orders
